

Have you had your Mezuzot & Tefillin checked recently?

Before Passover, we try to assess our chometz and clean up our homes. During Elul, the month before the High Holidays, we assess our religious observance and try to "clean up" our mitzvot, hoping for a good, sweet new year to follow. For the past several years, Sons of Israel has had the good fortune of hosting Rabbi Yaakov Long, an expert Jewish scribe (a sofer) from Jerusalem, for a week during Elul.

GUEST SOFER: Rabbi Yaakov Long

DATES: August 15th-20th, 2010

LOCATION: Sons of Israel (720 Cooper Landing Road, Cherry Hill, NJ)

CONTACT: Shawn Baratz for info. or to sign up for services
call 609-870-4601 or e-mail abaratz@yahoo.com

May G-d shower us with blessings in the upcoming year!

About Rabbi Long: Rabbi Long brings with him a wide-range of services such as checking and repairing mezuzot of homes, shuls and businesses, selling new mezuzot, checking and fixing tefillin, selling new tefillin (your first pair, an improved pair, or as a Bar Mitzvah gift), and has other items for purchase as well, such as mezuzah cases, tefillin bags, and tzitzit. He is also equipped to check Torah scrolls. Additionally, Rabbi Long provides free informative classes to anyone interested in observing how tefillin are made, as he has done for our students at Politz. Rabbi Long has quality items from Israel that are economically priced. Due to the nature of his visit, Rabbi Long will not be able to make house calls. This is an opportunity for strengthening your personal, and our communal, observance
